Melissa-

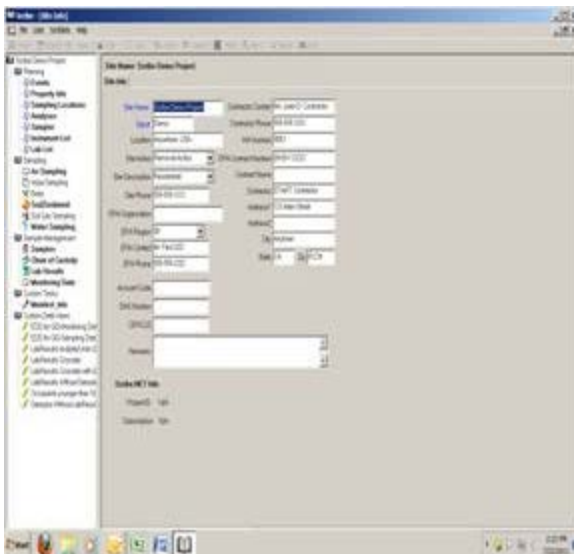

I'm trying to get a look at the data that has been posted to SCRIBE by EPA. Under the Publications column of the System Summary (https://www.epaosc.org/subscribe_net/admin_tools/systemsummary.aspx), these are Project IDs 1461, Las Conchas Wildfires, EPAUSEPA Region 6, 1, 6/30/2011 8:02:18 PM and 1462, Las Conchas Wildfires, EPAUSEPA Region 6, 5, 7/4/2011 4:55:01 PM. When I click on the Details link on the Subscriptions side for R6_LasConchas_EPA and R6_LasConchas_EPA_Combo, I can see a summary but no data.

Trying a different approach, I went into SCRIBE and opened the demo project because we have not uploaded data yet. I've attached a series of screenshots below that show where my stumbling block is. The next to last and the last screenshots require a Subscription ID and Password (the password seems to be filled in already – is this a default password?).

How do I obtain a Subscription/Subscriber ID and a Password in order to view the data?

Thank you.

The screenshot shows the 'Scribe.NET Setup' dialog box with the 'Profile' tab selected. The 'Scribe NET User Profile' section contains the following fields:

- Name:** Kim Grenzow
- Organization:** NMED DOE OB
- Project Role:** Other (selected from a dropdown menu)
- Phone #:** 505-661-4008
- eMail:** kgrenzow@lanl.gov

At the bottom of the dialog, there are three buttons: 'Restore Defaults', 'OK', and 'Cancel'.
